## EXPERIENCE

---

<b>Freelance Web Development – Full Stack Developer</b>	August 2022
---	-------------

- Created a website through Python and a Django library that includes a database for showcasing products and storing customer emails to increase the web presence of a local business
- Designed 10+ appealing graphics and slides in Photoshop that would render a more visually enhancing user experience
- Promoted my client's business by uploading the site through a google maps API, which resulted in increased web requests

<b>KD College Prep – Coppell, TX</b>	June 2020 - August 2022
--------------------------------------	-------------------------

*Online Learning Intern (May 2022 - August 2022)*

- Clarified questions students may have via email regarding their lessons in a timely manner to ensure a high class attendance
- Monitored class attendance through Zoom and Excel to verify that students were properly receiving credit for online lessons
- Processed students' web request information through the database to ensure they would have access to the Student Portal

*Shift Leader (May 2021 - December 2021)*

- Assigned tasks to 3-4 student workers at a time and coordinated the completion of daily responsibilities to maintain an organized and efficient working environment
- Trained new student workers on company policies and procedures and guided them through customer interactions to always keep the front desk fully staffed and operational

*Student Worker (June 2020 - May 2021)*

- Answered 30+ phone calls a day by directing customers to the correct department or providing them with the service requested to deliver an effortless customer experience
- Maintained the database by recording student information and activity to provide a personalized service for each student
- Supervised the proctoring of practice tests for 20+ students at a time at the center, which allowed for students to have a more realistic testing experience and identify their weaknesses on national tests

## LEADERSHIP EXPERIENCE AND ACTIVITIES

---

<b>Coppell High School Red Jackets - Ambassador</b>	May 2021 – May 2022
---	---------------------

- Led 5 school tours of groups of 10 to promote knowledge of the school and its organizations
- Answered visitors' questions about my high school experiences to highlight the welcoming environment created at Coppell

<b>McCombs Future Executive Academy (MFEA) at UT Austin – Market Researcher</b>	June 2021
---	-----------

- Organized a presentation showing the benefits of media interaction to convince a client to join a new social media platform
- Forecasted increases in followings and revenue to highlight the gains that can be made with a strong social presence

<b>Hispanic Business Student Association - Active Member</b>	September 2022 - Present
